Who: The Florida Association of Nonprofit Organizations, Inc. (FANO) will collaborate with Health Choice Network, Inc. (HCN) by joining in the respective annual conferences. The conferences FANO's 22 and HCN's 19th mutually serve to promote the respective missions: to serve capacity building needs of the nonprofit community to make Florida a better place and to provide the healthcare nonprofits with the best in technological solutions to improve patient outcomes.

What: FANO's Sunshine Certificate: a Certificate of Nonprofit Management held in conjunction this year with The Health Choice Network's 19th Annual Educational Session and Quality Care Institute, Health Care Reform: Navigating Our Future featuring 30 exhibits and 300 attendees.

When: The Educational Session and Institute will be held on June 7-9, 2013. FANO's pre (June 5-6) and post (June 8) conference Certification Program will culminate in a graduation and presentation of The Sunshine Certificate: a Certificate in Nonprofit Management. The main conference day is Friday, June 7, 2013 which features presentations on: "Corporate Compliance" and "Change Acceleration Process" and includes a Clinical Luncheon, a reception and dinner.

Where: The Marco Island Marriott Resort and Spa (on the beach - 400 S Collier Blvd. 34145)

Why: To serve the dual purpose of giving health care and community leaders the tools they need to meet the challenges and opportunities of the Affordable Care Act and also providing them with an exciting opportunity for general professional development through FANO's Certificate in Nonprofit Management.

How: For further information about FANO or to register for the Certificate in Nonprofit Management, the conference, exhibiting or sponsorship opportunities click to FANO's [Black Tie portal](#) or contact Marina Pavlov at 305.557.1764 or visit FANO.ORG. For organizations with financial need limited Barbara Blair and Russ Marchner scholarships are available.

HCN is the Health Choice Network, a nation-wide collaboration of health centers and networks created with the object of providing the healthcare industry with the best in technological solutions to improve patient outcomes.

FANO is Florida Association of Nonprofit Organizations, Inc., a statewide resource center and professional network for staff and board members of 501(c)(3), nonprofits in Florida. FANO was founded in 1990 by nonprofit leaders to enhance the well-being of all people and communities in the state of Florida by building the capacity of the private nonprofit sector. FANO assists Florida's 52,000 nonprofits in strengthening their leadership, management, financial and public policy capacity to reach their missions. We invite participation by anyone interested in the future of Florida's private nonprofit sector.
