#1 NONPROFIT NEED: FUNDING

What is your current greatest need? It comes as no surprise that the answer usually is 'funding'. Most budgets have been seriously cut. And even if budgets have grown, the workload often exceeds the funding provided.

Since 1999, FANO has emailed to our members the GrantStation Insider Weekly Grants. More than 7000 nonprofit leaders have benefited from this information.

Now, in an effort to provide more fund-finding resources for our members, we have coordinated with Grant Station, a FANO Preferred Partner for expanded benefits, to offer the **GrantStation Database, valued at \$599, at no charge to all renewing members!** The GrantStation Database includes:

- US Giving Database
- US International Giving Database
- Federal Database
- State Database
- Grantwriting info and tutorials

The databases include thousands of funder profiles, including independent, family, community and corporate foundations; corporate giving programs; faith-based grantmakers; and associations with grantmaking programs. FANO will also offer Webinars on using the program to develop your fund strategy and searches.
